

## DO ANGELS REALLY EXIST?

Saints Constantine & Helen Greek Orthodox Church's Fall Adult Religious Education Series will kick off in October with a short, 3-part series on angels. We'll learn if angels really exist, or if they are just an idea made up by department stores' marketing departments to sell Christmas ornaments. If they do exist, what is their purpose? And what do we know about the dark side of angels? The series will be taught by Konstantine Pietronuto, a graduate of Holy Cross Greek Orthodox School of Theology, and will take place on three consecutive **Wednesdays - October 11, 18 and 25**. Each session will be held in the **Sts. Constantine & Helen main chapel, from 7:00 – 8:00 pm**. So mark your calendars and get ready to learn the truth about angels!

- October 11: Do angels actually exist? Are they like you and me?
- October 18: So angels exist, but what's their purpose? Do they just float around heaven, playing harps all day?
- October 25: Angels do a lot of things, but are they always good? Didn't one do something bad a long time ago? What is he doing now?

*The series is free and open to the public. For more information, contact 757/596-6151.*
